1) PREAMBLE

Corporate Social Responsibility (CSR) is strongly connected with the principles of Sustainability; an organization should make decisions based not only on financial factors, but also on the social and environmental consequences. Policy on Corporate Social Responsibility is mandatory as per guidelines of Companies Act 2013. CSR is defined within a frame work of Corporate Philosophy which factors the needs of the community and the regions in which corporate entity functions. Therefore, it is the core corporate responsibility of UP Hotels Ltd (“UPH”) to practice its corporate values through its commitment to grow in a socially and environmentally responsible way, while meeting the interests of its stakeholders.

UP Hotels Ltd recognizes that its business activities have wide impact on the societies in which it operates, and therefore an effective practice is required giving due consideration to the interests of its stakeholders including shareholders, customers, employees, suppliers, business partners, local communities and other organizations. The company endeavors to make CSR a key business process for sustainable development.

2) INTRODUCTION

The Corporate Office of the Company is in New Delhi and having hotels in Agra, Jaipur, Lucknow and Khajuraho. The primary beneficiaries of CSR should be those staying around the corporate office and hotel areas. Poor and needy section of the society living in different parts should be second beneficiaries. Moreover, UPH’s CSR policy should be integrated with the business plan so that environment and social concerned are well addressed along with growth in business.

In the aforesaid backdrop, policy on Corporate Social Responsibility of UPH is broadly framed taking into account the following measures: -

a) Welfare measures for the community at large so as to ensure the poorer section of the Society derived the maximum benefits.

b) Contribution to the society at large by way of social and cultural development, imparting education, training and social awareness specially with regard to the economically backward class for their development and generation of income to avoid any liability of employment.

c) Protection and safeguard of environment and maintaining ecological balance.
